

## Your Instructors

**Helen Yancy** is known as the premier instructor in Painter . . . she teaches from the point of view of the artist, showing students how to create true works of art in Painter!

**Karen Howlett-York** has become one of North Carolina's leading instructors in Photoshop . . . she will teach you the secrets of retouching and enhancing portraits using both Photoshop and Painter to create images that your customers will love.

**Chuck Hill** will show you how to find and capture unique images in nature, then how to create artistic masterpieces using Photoshop and Painter. His folksy style will make this a fun and exciting class!

**Jack Deere** is recognized as a great instructor in the workings of Photoshop and in creating great output. The mini-courses will provide you with all you need to know about creating great output from your images.

**Linda Weaver** is a world-renowned artist from Winston-Salem - Linda will lead students in the process of creating a portrait oil from a photograph. This class will be held at Linda's studio in Reynolda Village!

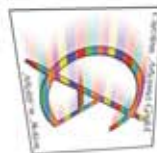

**The Carolina Art & Photographic School** will be held in the Sawtooth Center in downtown Winston-Salem, NC. The Sawtooth Center is a center devoted to the arts, and has been completely renovated, with everything inside the building brand new!
